

Clarity eCommerce Storefront

CLARITY

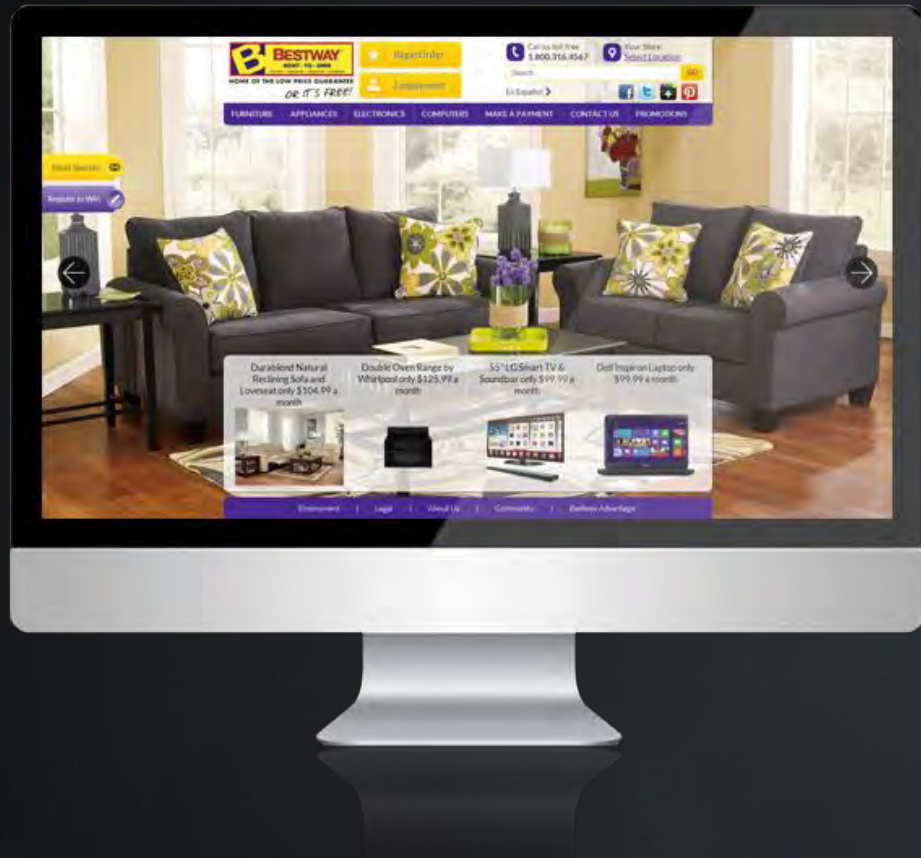

eCommerce
Storefront

Clarity eCommerce

enterprise and B2B eCommerce

- Scalable – Clarity eCommerce running successfully in many client stores, in production from 100 to over 3,000,000 SKUs in a single store
- Marketing – SEO, CRO, abandoned cart campaigns, related products, intelligent advertisements...
- Affordable – Modular design means modular pricing. Only pay for the features you need!

eCommerce UI architecture

- Design & User Experience
 - We don't expect you to tailor your business to our product, we tailor our solution to your business
- Abstracted UI
 - Clarity uses our own API to deliver our' UI
 - Every UI is/can be customized to our clients' business
- Supportability
 - Underlying architecture exactly the same (mostly skins and modules)
 - Updates don't break the customizations

Clarity Ecommerce Platform API

PRODUCT DESCRIPTION

Frame made of chromed steel, painted with non-toxic epoxy powder paint. Upholstery is breathable, fire-retardant, and attaches to the seat with buttons. Easily removable for machine washing. Headrest wide and wrap-around, antibacterial, padded, height adjustable, with vertical and front-back rotation. Back wide and retentive, can be arranged in four positions to vary the depth of the seat bottom. Seat bottom adjustable inclination of 10 degrees to 27 degrees thanks to a gas spring, inclined by 10 degrees to prevent the user from sliding forward. Low seat, to facilitate the transfer of the user. Sides swing away to facilitate transfer of the user with padded and height adjustable armrests. Corner protectors padded for the knee. Footrests flip up and are height adjustable. Swing away Leg support adjustable in height and angle to help the operator get close as the user gets on and off the chair. Flip up footplates for easy access to elevators and small rooms. Provided with padded calf rest. 6.7 inch front solid swiveling wheels and 11.8 inch rear wheels, drum brakes are engaged with a single control pedal, with pneumatic wheels.

Description Specs

Antique etching can turn a normal colored bottle into something beautiful. You can see in the picture that the clear bottle is very boring, even if you labeled it, but the frosted bottle is the same bottle, that we've acid etched. Many of today's high-end vendors prefer this method and it can be done on any color bottle.

The screenshot shows the Hippo Hopper website. At the top, there's a logo with a hippo on a forklift and the text "HIPPO HOPPER SELF-DUMPING HOPPERS". To the right is a search bar and the phone number "Call Us: (855)456-4570". Below the logo are navigation tabs: "STANDARD HOPPERS", "SPECIALTY HOPPERS", "CUSTOM HOPPERS", "BOXES & CARTS", "CONTACT US", and a blue callout bubble saying "All 3 – Navigation, Vertical, Product". On the left is a "Categories" sidebar with links to "Standard Hoppers", "Specialty Hoppers", "Boxes and Carts", "Custom Hoppers", and "Parts & Accessories". The main content area is titled "Self Dumping Hoppers" and "USES & APPLICATIONS", listing various industries like OEM Manufacturers, Scrap Metal Industry, Chemical Industry, etc. Below this is a "Choose a Category Below:" section with two options: "Light Duty Self Dumping Hopper 2000 lbs. cap." and "Medium Duty Self Dump Hoppers 4000 lbs. cap.", each with an image of the hopper and a description of its uses.

Categories

- Standard Hoppers
- Specialty Hoppers
- Boxes and Carts
- Custom Hoppers
- Parts & Accessories

Self Dumping Hoppers

USES & APPLICATIONS

- » OEM Manufacturers
- » Scrap Metal Industry
- » Chemical Industry
- » Machine Shops
- » Plant Maintenance
- » Commercial Construction
- » Iron and Steel Foundries
- » Agricultural Industry
- » Lumber Industry
- » Metal Processing Industry
- » Metal Forgings and Stampings
- » Forging Operations

Choose a Category Below:

Light Duty Self Dumping Hopper 2000 lbs. cap.

The perfect hopper for loads up to 2000 lbs. They are generally used for light weight materials and bulky items that take up more area than weight.

Suggested applications: Light wt. recycling of all types, plant maintenance, wood scrap of all types (saw dust, pallets, cabinets and mills etc.) paper / cardboard, plastic, light metals and shavings etc.

Medium Duty Self Dump Hoppers 4000 lbs. cap.

Our Medium Duty line of hoppers provides a cost effective alternative to our Heavy Duty Line without sacrificing strength or durability.

Suggested applications: Light metal scrap in larger volume, heavy wood products, dense trash, refuse and debris clean up etc.

related & share items

The screenshot shows the Bestway website's product page for a washer and dryer pair. The header includes the Bestway logo, navigation links like 'Begin Order', 'Call us toll free 1.800.316.4567', and 'Your Store Select Location'. A search bar and social media icons are also present. The main content area features the 'WASHER AND DRYER PAIR' title, the Amana logo, and a price tag of \$69.99. Below this, there are tabs for 'Features' and 'Details'. The 'Features' tab is active, displaying a detailed description of the washer and dryer's capabilities. To the right of the text is an image of the appliance pair. Below the image are social sharing buttons for Facebook, Google+, Twitter, and Pinterest. At the bottom, a 'You Might Also Like...' section displays four related products: a 32" 60 Hz 720P LED TV, an Acer Aspire V15 LED Notebook, a Bittersweet Bedroom Suite, and a Berringer Dinette.

During Shopping

The screenshot shows the 'The Indulgent Baker' website's shopping cart page. The header features the website's logo and a navigation menu with links like 'HOME', 'COOKIES, BROWNIES, ICE CREAM', 'ORDER TO INDULGE INFO', 'CORPORATE', 'WEDDINGS', 'MEDIA', and 'MORE'. The main content area is titled 'CART' and shows a table of cart items. The first item is a 'BAKERY BOX' containing 'CHAMPAGNE STRAWBERRY (X2)' and 'Brownies selected: BLONDIE (X1), CHAMPAGNE STRAWBERRY (X1), CLASSIC (X1), LEMON WHITE (X1)'. The total price is \$29.00. Below the table is an 'UPDATE CHANGES' button. At the bottom, a 'Featured Items' section displays three suggested items: 'Mint Chocolate Chip', 'Red Velvet', and 'Candy Jar'.

PRODUCT DESCRIPTION

3M™ Attest™ 1 Hour Biological Indicators offer one hour results. The advantages of quicker biological indicator results are that you are able to make decisions and take appropriate action BEFORE use of instruments. Every load monitoring and quarantining can eliminate recalls. Use test packs to challenge your sterilization process.

Royal Kuba Mukyeem Festival Mask

Price: \$2,100.00 Add to Cart

Description:
Royal Kuba Mukyeem Festival Mask, Zaire. A variant of the moshambooy mu shall. A full head mask with raffia collar, sewn with colored beads, shells, fur, wood ears, padded cloth and the characteristic superstructure in the shape of an elephant's trunk with two tusks. Size: 21 - 1/2 inches (53,4 cm) H. + 28 on custom mount. A choice royal example worn by a dignitary and may be representing a King in ritual ceremonies.

admin panel

admin panel

The screenshot displays the 'Attributes' management interface within the Clarity eCommerce admin panel. On the left is a sidebar with navigation links: Inventory, Purchase Orders, Attributes, Categories, Products, Vendors, and Warehouses. The 'Attributes' section is active, showing a list of attributes under the 'Manage Attributes' heading. At the top right of the main area is an 'Add Attribute' button. Below the heading is a search bar with a 'Name:' label, a text input field containing 'Name ...', and a 'Lookup' button. The main content is a table with three columns: 'Attribute Name', 'Type Name', and 'Actions'. The table lists ten attributes, all of which are of type 'General'. Each row has two action buttons: a green pencil icon for editing and a red 'X' icon for deleting.

Attribute Name	Type Name	Actions
Component Type	General	
Supplier Product ID	General	
Manufacturer	General	
Model #	General	
Sold Direct	General	
Brand Name	General	
Quantity Per Unit	General	
Unit of Measure	General	
Minimum Order Quantity	General

admin panel

The screenshot displays the Clarity admin panel interface. On the left is a dark sidebar with icons for various functions, including a clock icon for 'Shipments'. The main content area is titled 'Deliveries' and features a horizontal navigation bar with four tabs: 'Outbound' (selected), 'Inbound', 'Drop Shipped', and 'Delivered'. Below the 'Outbound' tab, there is a message: 'Outbound' followed by 'Please enable Clarity Connect Shipping for this feature.' The bottom of the page contains a footer with copyright information: '© 2014 Clarity eCommerce - All Rights Reserved.'
